

Milestone 7: Bank Account

Activity 1: Adding Bank Account

This screenshot shows the first step of the 'Add Bank or Credit Card' process in Zoho Books. The left sidebar contains a menu with 'Banking' highlighted. The main form area is titled 'Add Bank or Credit Card' and includes a 'Select Account Type*' section with radio buttons for 'Bank' (selected) and 'Credit Card'. Below this are input fields for 'Account Name*' (containing 'ICICI Bank-001'), 'Account Code', 'Currency*' (a dropdown menu showing 'INR'), 'Account Number' (containing '000001'), 'Bank Name', 'IFSC', and a 'Description' field with a 'Max. 500 characters' limit. A 'Make this primary' checkbox is at the bottom left of the form area. The browser's address bar shows the URL 'https://books.zoho.in/app/60023649353#/banking/new'. The Windows taskbar at the bottom displays the date '04-10-2023' and time '17:11'.

This screenshot shows the second step of the 'Add Bank or Credit Card' process. The 'Account Code' field is now the first input field. The 'Currency*' dropdown remains set to 'INR'. The 'Account Number' field still contains '000001'. The 'Bank Name', 'IFSC', and 'Description' fields are present. The 'Make this primary' checkbox is located below the 'Description' field. At the bottom of the form, there are 'Save' and 'Cancel' buttons. The browser's address bar and the Windows taskbar (showing '04-10-2023' and '17:11') are consistent with the previous screenshot.
